Each SISSA user is therefore expected to respect the regulations laid out in the public document RFC 1855 entitled "Netiquette Guidelines" (available at <http://www.ietf.org/rfc/rfc1855.txt>). Each user is personally responsible for respecting Italian, European and international laws. Any violation of these laws can lead to civil and penal sanctions by the competent authorities. SISSA is obliged to collaborate with the competent authorities in the course of their investigations, by supplying all necessary information (including log and user's files) and support.

I declare that I have read the SISSA and the GARR policies about using of the computing resources and I authorize the personnel treatment, communication and diffusion of my personal data, limited to the management and institutional activities of SISSA, according to the Legislative Decree no. 196 of 30 June 2003.
